

Who Wants to Test Drive a Robot?

May. 3, 2013 @ 10:41 am

Camdenton High School's FIRST LASER Robotics team 3284 is giving the community a chance to test drive their robot and help the robotics team raise funds for next year.

What: Fundraiser for Camdenton 4-H FIRST LASER Robotics Teams

When: May 4, 2013 9:00 am- 3:00 pm

Where: Camdenton High School

Test drive a FORD vehicle with Sakelaris FORD and they will donate \$20 per test drive to the LASER teams to help support the FIRST robotics programs (Jr.FLL, FLL, FTC and FRC).

Burgers and hotdogs for sale graciously grilled to perfection by the Camdenton Optimist Club!

The community can also "test drive" the World Championship finalist LASER 3284 robot, "The Patriot."
