

## **Area Students Among Winners in Robotics Competition**

**St. Louis (KMOX) Congratulations to the robotics team from Clayton High School.**

**They were part of an alliance along with teams from Camdenton Missouri and Huntington County Indiana that captured the St Louis FIRST Robotics Regional Championship competition held this weekend at Chaifetz Arena.**

**They will move on to the international championships to be held in St Louis next month.**

**Finishing in 2nd place was an alliance of teams from Westminster Christian Academy-Ladue Horton Watkins High School-and Hazelwood Central High School.**
