## RE/MAX LAKE OF THE OZARKS DONATES TO CAMDENTON R-III *FIRST*® LASER ROBOTICS

RE/MAX Lake of the Ozarks Charitable Foundation recently donated \$500 as a sponsor for the Camdenton R-III *FIRST*® LASER ROBOTICS teams.

The Camdenton 4-H LASER (Laker Afterschool Science, Engineering, and robotics) *FIRST*® (For Inspiration & Recognition of Science & Technology) team was founded by head coaches Mr. & Mrs. Comer in late 2009. In just 7 short years the Camdenton LASER team has grown from the inaugural 21 students to 300+ students. One in every fourteen Camdenton R-III students, out of a student body of 4,200, is now on a *FIRST*® LASER team! Funds received go towards materials/supplies, uniforms, competition fees, travel, transportation, and meals for the teams.

Established in August of 2011, as of August 31, 2015, the foundation has donated over \$93,000 to those in need within our community. Through various fundraising efforts, as well as individual contributions provided in connection with every closing, RE/MAX Lake of the Ozarks agents are able to give back to their community.

To make a donation or to fill out a grant application, go to [www.buyatlakeoftheozarks.com](http://www.buyatlakeoftheozarks.com) and click on the Charitable Foundation tab. You can also call the main office at 573-302-2300 or stop by the RE/MAX Lake of the Ozarks office located at 3525 Osage Beach Pkwy, Osage Beach.

RE/MAX Lake of the Ozarks Charitable Foundation, "Joining hands with our Community."
