

President's Message

Little did you think that being a member of the Optimist Club of Camdenon was to be such a job training opportunity. Parking lot attendants, tree lot salespersons, highway and shore line cleanup, Grilling chefs, after parade dooty duty. Now we can add being wait staff. Lets get lots of you helping out at Culvers. Also lets get as many customers in there as we can. Thanx in advance.

Students receive a certificate from the club and small token of appreciation, thanks to community support from businesses such as Denny's Dairy Queen and Subway. This month students are receiving one pass to the Camdenon's city pool. Left: Mrs. Goodwin, Leonela Garcia, Dominick Dattolli, Tyler Peery, Emma Campbell, Katelyn McGuire and Ryan Ginsberg.
