## Fundraiser for Camdenton 4-H FIRST LASER Robotics Teams — Saturday, May 4th, 9:00 a.m. to 3 p.m., Camdenton High School

Test drive a Ford and Sakelararis Ford will donate \$20 per test to the LASER team for a goal of 250 tests — \$5,000! The money will support the team's travel and competition fees. The team has also adopted and is supporting the CADV playroom at their new shelter.

John Albright and the Camdenton Optimists will be grilling and selling burgers and hot dogs. A silent auction will be held with local businesses donating great items.

You can also "test drive" the World Championship finalist LASER 3284 robot "The Patriot." FIRST robotics is considered the "Super bowl of Smarts" and encourages students to explore science, technology, engineering and math! (Drivers must be 18 and have a license. One test per household)

Double the team's earnings by voting on Facebook at:
